RE: Annual Operations and
Progress Report

Dear Mr. Riding:

As you are aware, your company has been approved to conduct mining operations under the 1975 Utah Mined Land Reclamation Act. Section 40-8-15 of the Act and Rule M-8 require that each operator file with the Division an Annual Operations and Progress Report for each mining operation having an approved mining and reclamation plan. Also, an updated map and plan prepared in accordance with Rule M-3 is required to keep the Division informed of the current status of the operation.

Enclosed you will find a revised MR Form 3 to be completed and returned to the Division, along with an updated map and plan, as soon as possible. I apologize for the Division's delay in reminding you of this requirement.

If you have any questions regarding the above, please do not hesitate to call. Thank you for your cooperation.

Sincerely,

JAMES W. SMITH, JR.
COORDINATOR OF MINED LAND DEVELOPMENT
